Common Questions and Answers for Accelerated Reader Tests

To help students succeed, here are some typical questions they might encounter, along with detailed answers grounded in the text:

Q1: Why does Ender feel isolated at Battle School?

Answer: Ender feels isolated because he is different from his peers?more intelligent, strategic, and often targeted by bullies like Stilson and Bonzo Madrid. He struggles with the pressure to succeed and the loneliness that comes with being chosen for special training, which makes it difficult for him to connect with others.

Q2: What is the significance of the "Giant?s Drink" game?

Answer: The "Giant?s Drink" game symbolizes Ender?s ability to think outside the box and approach problems creatively. It also foreshadows his strategic ingenuity in battles. The game?s impossibility and Ender?s eventual victory demonstrate his capacity to see solutions others overlook.

Q3: How does Ender?s understanding of morality evolve throughout the novel?

Answer: Initially, Ender believes in fairness and kindness. However, as he progresses, he is manipulated into participating in simulations that are real battles, revealing the complex morality of war. His actions, especially the destruction of the Formic homeworld, force him to confront the moral costs of victory and question whether the ends justify the means.

Q4: What role do the other characters, like Valentine and Peter, play in Ender?s development?
